Should Hal actually land here it would be real interesting to view the Hal's Federal league contract, which would be car ried out by Sinelair, ealls for a salary which would amount to as much as all 1331 the other players on the team combined will receive.

Oklahomate awaif with interest the autonomeanous of Nato Jackson's first light in the east. Nate and Manager Samon will be in Kaisas City tonight to see the White Thorpe scrap. Then they will historie in their was toward New York. Samon desires to get Jackson in the ring as mirely as possible, as Nate and Wagner and come. Skalling, Ski, HOCKEY, Nato is in grand condition field from

It offers for the The deed of the John Schulte those congress who started the 1905 seriou in the Oktobema to the try from the University of III. City outfield only to be released later because he could not hit has been sent to the Three-Lye lengue by Fielder Jones of the St. Louis Brown Schulte. wather the bell at a 143 cm while with Oklahoma Clis, and that is what caused his downfalt. Later he signed a contract with the St. Louis Fests. The deer Jones is now tony dumping his indestrables to the minors and Schulle's name is in the latest list of those to go Schulle is a St. Louis product.

The Three Eyes league is a class B organization, and if Schulle is to hood his own there he will have to get some per in that butting eye. Outfielders

Here is the reason why: Any firstbaseman who connects for 350 in the Western association can be sold to an AA club for a neat sum. That's no pipe.

so it would appear that the argument between Dameron and President over light, why can't be hold his own many is one that can be easily settled satisfactorily to both sides. Danican is one that can be easily settled satisfactority to both sides.

On the other or opposite the if Wil A Chicago sport writer in relating a story supposed to have originated in lard knocked out Johnson why shouldn't hibitory law to say that lifting a glass of liquor to the lips constituted "transporting intoxicants from one part of the state to another."
